Dear Ms. Palomino,

The CalSupport Pro software certification has been renewed pursuant to California Rules of Court, rule 5.275 under procedures approved by the Family and Juvenile Law Advisory Committee. That committee has been delegated the certification authority by the Judicial Council of California. The certification is effective from April 1, 2024 through September 1, 2024. The software will need to be reevaluated prior to September 1, 2024, to ensure the software correctly applies changes in law that will become effective on September 1.

If you have any questions, please contact me at 916-263-8624.

Very truly yours,

Anna L. Maves
