## How to Do Your Own Divorce in Texas 2013-2015

FOR IMMEDIATE RELEASE

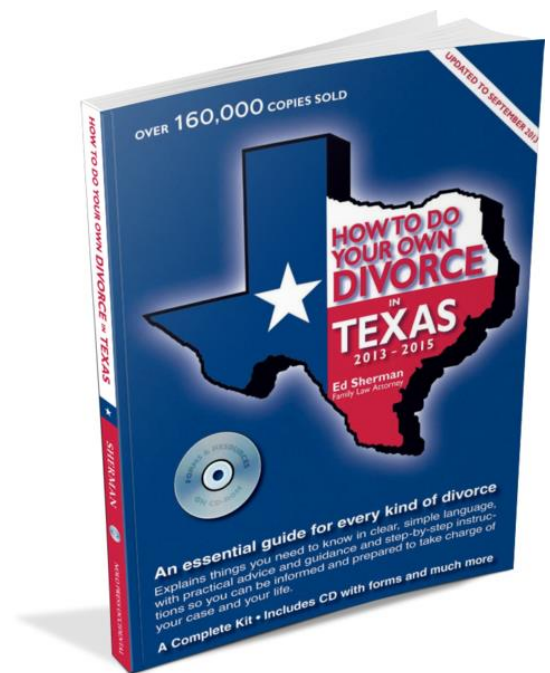

SANTA CRUZ, CALIFORNIA—The new edition of *How to Do Your Own Divorce in Texas*, updated for 2013 – 2015, is now available. This is the 14<sup>th</sup> edition of this Nolo title, and includes an entirely new set of forms, along with many other updates.

Because the Texas Legislature meets every other year, during the odd-numbered years, author Ed Sherman must update his book to reflect changes in laws and forms.

With over 160,000 copies sold, this book has saved divorcing Texans millions of dollars over the years. Whether or not readers plan to do their own divorce, the book serves as an essential guide for all Texas divorces, explaining in clear simple language things you need to know about divorce in Texas.

The book provides practical advice and guidance, with step-by-step instructions so you can become informed and prepared to take charge of your case and your life.

This new edition includes a CD with easier-to-use digital versions of the forms that can be filled out simply by checking boxes and filling in blanks as instructed by the book. Other important changes covered in the book include how the Citation is handled, e-Filing, a new form that must be filed with the Petition, and how support must now be paid.

Author and Family Law Attorney Ed Sherman has devoted his career to making divorce easier and more affordable for all, saving his readers a lot of money and emotional pain.

Sherman's books and software have saved the public BILLIONS of dollars in unnecessary legal fees over the years. For more information:
